WE ARE BUILDING THE
RAPS REGIONAL
ANIMAL HOSPITAL

★ Nominated as “Association of the Year” in Richmond Chamber of Commerce Business Excellence Awards
★ Applied for International Sanctuary Accreditation
★ Recognized for best practices by West Coast Veterinary Magazine

* Hospital name and facility require accreditation and approval of the Veterinarian College of BC.
WHO WE ARE

THE PURPOSE

The Regional Animal Protection Society, which began 22 years ago, now operates Canada’s only Cat Sanctuary, the City of Richmond Animal Shelter and a Thrift Store. RAPS is increasingly being recognized by reputable third parties for our outstanding work, ethical governance, efficient operations and, most importantly, our commitment to programs that care for animals (as noted on the cover of this brochure). Our goal now is to build an outstanding new veterinarian hospital and become a financially self-sufficient organization that invests revenues back into animal care. Our objective is to create an entirely new model for NO-KILL animal care across Canada and internationally. And we hope to make you proud of our efforts!

RAPS’ NO-KILL ETHOS

Under our care, no animal is ever euthanized due to lack of space, treatable illness, physical defect, age, rectifiable behavioural or socialization issues. This is a commitment we make to YOU!

Our Model is Simple

To truly be NO-KILL, animal serving agencies must have avenues through which animals who would otherwise be euthanized can find forever homes. This includes shelters and medical hospitals, where animals can be rehabilitated for adoptions, foster programs through which animals can live in the comfort of a foster home, and sanctuaries, where unadoptable animals can live out their lives in a loving, secure environment. The hospital provides support to our shelters, sanctuaries, foster program and households with low incomes. This NO-KILL model is revolutionizing the animal care world. We would like you to be a part of it.

The new RAPS Regional Animal Hospital will allow us to keep our NO-KILL promise to more animals than ever.

I live because you give.
RAPS is constructing a community-supported, social enterprise NO-KILL animal hospital. And we need YOUR help.

Why we are building the RAPS Regional Animal Hospital

Generate revenue to sustain RAPS

and

Expand our Cat Sanctuary

and

Open a new Dog Sanctuary

Expand our Animal Food Bank program

Enhance services to families with low incomes

Grow our fostering program

More spaying & neutering procedures

When you give... They live!

OUR CHALLENGE GRANT

$400,000 from Applewood Nissan Richmond

$600,000 from Vancity

providing RAPS with $1 Million

Applewood Nissan Richmond and Vancity are providing $1 million in in-kind and financing support.

To complete the project, RAPS, Applewood and Vancity need our community to come together to raise the other $1 Million.

We need your help to meet these goals and complete the

RAPS REGIONAL ANIMAL HOSPITAL

Hospital Procedural Space
WHAT WE’RE WORKING TOWARDS

A NEW INTERNATIONAL MODEL FOR NO-KILL ANIMAL CARE

IN-AGENCY ANIMAL HOSPITAL
Best animal healthcare for shelters, sanctuaries and subsidies for those in need

SANCTUARIES
A forever home for unadoptable animals as an alternative to euthanasia

KILL
No-kill ethos
The heart of all we do – a vision that inspires community support

SOCIAL ENTERPRISE
Creates stable, sustainable funding

A NEW MODEL FOR COMMUNITY-SUPPORTED ANIMAL CARE

SHARING SCALABLE SYSTEMS
New framework for global best practices in animal care
WHAT IT COSTS TO OPEN AN ANIMAL HOSPITAL

The RAPS Regional Animal Hospital has a goal of raising $2 million in year one and $5 million by year three. This is a foundational step in our ambitious plan for sustainable development of the RAPS Model.

This in-agency Animal Hospital will allow RAPS to eliminate external veterinary costs while creating a social enterprise that financially sustains our operations.

We hope to garner $2 million through thousands of individual donations in support of this important, innovative project.

Isabelle, a seven-year-old pit bull terrier, was severely burned in a fire just before Christmas 2016. Fire-fighters say they suspect the burns to her paws, legs, face, neck and chest are a result of Isabelle pushing her way to safety out of the burning trailer.

While Isabelle’s case is extreme, it helps explain RAPS’ approach to animal care.

If you would like to join our campaign, we welcome your enthusiasm.

When you give ... They live.
PLEASE CONTRIBUTE TO OUR CAPITAL CAMPAIGN
Become a member of the Regional Animal Protection Society!

Help us...
✓ Launch Canada’s most innovative social enterprise – RAPS Regional Animal Hospital
✓ Perform thousands of veterinary medical procedures annually
✓ Build new animal sanctuaries
✓ Help companion animals in households with low incomes
✓ Expand our service model nationally
✓ Help you and help our community!

We promise to make you proud of our efforts to set new standards in animal advocacy and care.

Please donate to make this project a reality.

We can realize this ambitious goal with 5,000 donations of $200 each

I would like to donate:

$ _____________ / one-time donation to this project
$ _____________ / monthly for # _______ months

RAPS’ Sanctuary Model

 Sanctuaries are one of the pillars of the RAPS Model. By providing permanent, loving care for animals that are unlikely to find forever families, we can reduce euthanasia rates and provide opportunities for people and animals to interact in mutually affirming ways. RAPS already operates Canada’s only Cat Sanctuary -- and one of North America’s largest. We want to apply the same model for dogs and rabbits -- possibly even large animals. We have the expertise in this sector and we want to share it with NO-KILL agencies elsewhere, so we can reduce euthanasia rates across the board.

Applied for International Accreditation
The RAPS Regional Animal Hospital will meet sector best practices in everything we do!
Now, imagine a dog sanctuary.
